CLOUD-NOEXP

Cloud Subscription, No Expiration

Description:

Cloud Subscription gives the DevCom App the ability to store saved Device Configurations and Calibration Check data to the Cloud. This subscription is a one-time fee that is good forever and does not expire.

Features and Benefits:

- Secure and safe
- Backs-up your saved instrumentation data in case your mobile device is lost or damaged
- Share the saved Cloud data with your colleagues via defined Groups
- Works with all DevCom Apps including HART and Foundation Fieldbus (FF)
- Works with all DevCom App operating systems including Windows, Android, and iOS
- Cloud access that never expires!
